

Message from the Rau's IAS Faculty

We, the faculty members of Rau's IAS Study Circle, are deeply shocked and shattered by the unfortunate incident where we lost the members of our Rau's family, **TANYA SONI, SHREYA YADAV** and **NEVIN DALVIN**. We extend our deepest condolences to their families and friends and pray that God gives them the strength to bear this loss.

However, we realise our responsibility towards our students and we are committed to help them to achieve their goals. We do not want your studies to suffer. The present situation demanded suspension of classes for a week and as already communicated we are commencing the classes from Monday (5th August, 2024) for all courses in online mode. At the same time we are exploring options to shift to offline mode as soon as practicable.

The entire team of faculty members and Student Support System at Rau's IAS Study circle are focused upon giving the best academic output thereby enabling the aspirants achieving their dreams of qualifying the Civil Services Examination.

The students of RAUS IAS opted for the institute because of the commitment to the quality pedagogy and individual attention from our experienced faculties and we will not waver in our efforts.
